WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF
WISE BAPTIST CHURCH

October 29, 2019

A place for faith and fellowship with family and friends.

Dear Church Family and Friends,

This week, we will look at the second of nine personality types. We are all a blend, but one type is dominant. This week, we will look at the **Helper**. The Apostle John is an example.

When we read about people in the Bible, we put them on a pedestal. Their faith seems heroic and unreachable. Instead of encouraging us, it sometimes discourages.

However, if we look closer, we see sin and faith in every Bible character. The good news is that God uses, broken, sinful people for His larger purposes!

John fits the Helper profile because of the way he writes. He writes lengthy, detailed stories. Each story is about a single person helped by Jesus. Examples? Nicodemus, the woman at the well, the woman caught in adultery, etc.

The Helper has great compassion. The Helper sees the person in need before anyone else does. Helpers act on Jesus' command to love one another. Jesus says, "By this the world will know you are My disciples, if you love one another" (John 13:35).

The danger point or the growth point is that the Helper overcommits. He or she finds it hard to say "no" and keep balance in their lives. This can lead to resentment.

Are you a Helper? Do you know one? Claim the personality God gave you and make the most of it for His glory. Next week, we will look at the Achiever. (The Achiever needs to achieve success and avoid failure.)

Love, Pastor Mike
